Case 2:07-cr-20071-B USA v MICHAEL D MASON

RE: Letter dated May 11, 2007

Dear Mr. Gould,

A "Statement of Account" was requested by me on May 4, 2007 for the case referenced above. As creditor and real party in interest in this matter, I need an accurate and up-to-date accounting of any ledgering to this account. As creditor to the debtor, defendant MICHAEL D MASON, I am tasked with the responsibility of settling all debts that the debtor incurs. I have tendered payment for setoff in the above case and need to know if it has been ledgered to the account in question. If payment has not been received, then I need to know that.

So, please provide me with a "Statement of Account" reflecting any ledgering to the above account. This statement should show amounts owed and whether any payments have been ledgered that would bring the account to zero. If no charges have been made to the above account, then a statement reflecting a balance of zero would be appropriate. If payment as been credited to this account, then I need a statement showing a credit balance. Thank you for your timely response in this matter. Please contact me at 901-388-7298, if you have any questions.

Yours truly,

  
Michael D. Mason
