**VERIFIED AMENDED COMPLAINT FOR
DECLARATORY AND INJUNCTIVE RELIEF**

COMES NOW Plaintiff **L. Lin Wood, Jr.** (“Plaintiff”), by and through his undersigned counsel of record, and file this his Verified Amended Complaint for

Declaratory and Injunctive Relief (the “Complaint”), respectfully showing this honorable Court as follows:¹

INTRODUCTION

1.

The citizens of the State of Georgia deserve fair elections, untainted by violations of the United States Constitution and other federal and state laws governing elections.

2.

The validity of the results of the November 3, 2020 general election in Georgia are at stake as a result of Defendants’ unauthorized actions in the handling of absentee ballots within this state, actions that were contrary to the Georgia Election Code.

3.

Defendants’ unilaterally, and without the approval or direction of the Georgia General Assembly, changed the process for handling absentee ballots in Georgia, including those cast in the general election.

¹ Plaintiff’s Emergency Motion for Injunctive Relief and Memorandum of Law in Support Thereof will be filed tomorrow, Tuesday, November 17, 2020.

4.

As a result, the inclusion and tabulation of absentee ballots for the general election (and potentially, for all future elections held within this state) is improper and must not be permitted. To allow otherwise would erode the sacred and basic rights of Georgia citizens under the United States Constitution to participate in and rely upon a free and fair election.

JURISDICTION AND VENUE

5.

This action arises under 42 U.S.C. § 1983, Articles I and II of the United States Constitution, and the First and Fourteenth Amendments to the United States Constitution.

6.

This Court has jurisdiction under 28 U.S.C. §§ 1331 and 1343 because this action arises under the United States Constitution and laws of the United States and involves a federal election for President of the United States. “A significant departure from the legislative scheme for appointing Presidential electors presents a federal constitutional question.” *Bush v. Gore*, 531 U.S. 98, 113 (Rehnquist, C.J., concurring); *Smiley v. Holm*, 285 U.S. 355, 365 (1932). This Court has supplemental jurisdiction over any state law claims pursuant to 28 U.S.C. § 1367.

7.

Venue is proper under 28 U.S.C. § 1391(a) because a substantial part of the events giving rise to the claim occurred or will occur in this District. Alternatively, venue is proper under 28 U.S.C. § 1391(b) because at least one Defendant to this action resides in this District and all Defendants reside in this State.

PARTIES

8.

Plaintiff L. Lin Wood, Jr. is an adult individual who is a qualified registered elector residing in Fulton County, Georgia. Plaintiff constitutes an “elector” who possesses all of the qualifications for voting in the State of Georgia, as set forth in O.C.G.A. §§ 21-2-2(7) and 21-2-216(a). Plaintiff brings this suit in his capacity as a private citizen. As a qualified elector and registered voter, Plaintiff has Article III standing to bring this action. *See Meek v. Metro. Dade County*, 985 F.2d 1471, 1480 (11th Cir. 1993). Further, Plaintiff made donations to various Republican candidates on the ballot for the November 3, 2020 elections, and his interests are aligned with those of the Georgia Republican Party for the purposes of the instant lawsuit.

9.

Defendant Brad Raffensperger (“Secretary Raffensperger”) is named herein in his official capacity as Secretary of State of the State of Georgia. Secretary Raffensperger is a state official subject to suit in his official capacity because his office “imbues him with the responsibility to enforce the [election laws].” *Grizzle v. Kemp*, 634 F.3d 1314, 1319 (11th Cir. 2011). Secretary Raffensperger serves as the Chairperson of Georgia’s State Election Board, which promulgates and enforces rules and regulations to (i) obtain uniformity in the practices and proceedings of election officials as well as legality and purity in all primaries and general elections, and (ii) be conducive to the fair, legal, and orderly conduct of primaries and general elections. *See* O.C.G.A. §§ 21-2-30(d), 21-2-31, 21-2-33.1. Secretary Raffensperger, as Georgia’s chief elections officer, is further responsible for the administration of the state laws affecting voting, including the absentee voting system. *See* O.C.G.A. § 21-2-50(b).

10.

Defendants Rebecca N. Sullivan, David J. Worley, Matthew Mashburn, and Anh Le (hereinafter the “State Election Board”) are members of the State Election Board in Georgia, responsible for “formulat[ing], adopt[ing], and promulgat[ing] such rules and regulations, consistent with law, as will be conducive to the fair,

legal, and orderly conduct of primaries and elections.” O.C.G.A. § 21-2-31(2). Further, the State Election Board “promulgate[s] rules and regulations to define uniform and nondiscriminatory standards concerning what constitutes a vote and what will be counted as a vote for each category of voting system” in Georgia. O.C.G.A. § 21-2-31(7). The State Election Board, personally and through the conduct of the Board’s employees, officers, agents, and servants, acted under color of state law at all times relevant to this action and are sued for declaratory and injunctive relief in their official capacities.

FACTS

I. Federal Constitutional Protections for Free and Fair Public Elections.

11.

Free, fair, and transparent public elections are crucial to democracy – a government of the people, by the people, and for the people.

12.

The Elections Clause of the United States Constitution states that “[t]he Times, Places, and Manner of holding Elections for Senators and Representatives *shall be prescribed in each State by the Legislature thereof*; but the Congress may at any time by Law make or alter such Regulations, except as to the Places of chusing Senators.” U.S. Const. Art. I, § 4, cl. 1 (emphasis added).

13.

The Legislature is “the representative body which ma[kes] the laws of the people.” *Smiley*, 285 U.S. at 365. Regulations of congressional and presidential elections, thus, “must be in accordance with the method which the state has prescribed for legislative enactments.” *Id.* at 367; *see also Ariz. State Legislature v. Ariz. Indep. Redistricting Comm’n*, 576 U.S. 787, 807-08 (2015).

14.

In Georgia, the “legislature” is the General Assembly. *See* Ga. Const. Art. III, § I, Para. I.

15.

Because the United States Constitution reserves for state legislatures the power to set the time, place, and manner of holding elections for Congress and the President, state executive officers, including but not limited to Secretary Raffensperger, have no authority to unilaterally exercise that power, much less flout existing legislation.

16.

Nor can the authority to ignore existing legislation be delegated to an executive officer. While the Elections Clause “was not adopted to diminish a State’s authority to determine its own lawmaking processes,” *Ariz. State*

Legislature, 135 S. Ct. at 2677, it does hold states accountable to their chosen processes when it comes to regulating federal elections, *id.* at 2668. “A significant departure from the legislative scheme for appointing Presidential electors presents a federal constitutional question.” *Bush*, 531 U.S. at 113 (Rehnquist, C.J., concurring); *Smiley*, 285 U.S. at 365.

II. The Georgia Legislature’s Laws Governing the Handling of Absentee Ballots.

17.

The Georgia General Assembly (the “Georgia Legislature”) provided a generous absentee ballot statute, O.C.G.A. § 21-2-380(b), which provides, in pertinent part, “An elector who votes by absentee ballot shall not be required to provide a reason in order to cast an absentee ballot in any primary, election, or runoff.”

18.

The Georgia Legislature also established a clear and efficient process for handling absentee ballots. To the extent that any change in that process could or could be expected to change the process, that change must, under Article I, Section 4 of the United States Constitution, be prescribed by the Georgia Legislature.

19.

Under O.C.G.A. § 21-2-386(a)(1)(B), the Georgia Legislature instructed the county registrars and clerks (the “County Officials”) to handle the absentee ballots as directed therein. The Georgia Legislature set forth the procedures to be used by each municipality for appointing the absentee ballot clerks to ensure that such clerks would “perform the duties set forth in this Article.” *See* O.C.G.A. § 21-2-380.1.

20.

The Georgia Election Code instructs those who handle absentee ballots to follow a clear procedure:

Upon receipt of each [absentee] ballot, a registrar or clerk ***shall*** write the day and hour of the receipt of the ballot on its envelope. The registrar or clerk ***shall*** then compare the identifying information on the oath with the information on file in his or her office, ***shall*** compare the signature or make on the oath with the signature or mark on the absentee elector’s voter card or the most recent update to such absentee elector’s voter registration card and application for absentee ballot or a facsimile of said signature or maker taken from said card or application, and ***shall***, if the information and signature appear to be valid and other identifying information appears to be correct, so certify by signing or initialing his or her name below the voter’s oath. Each elector’s name so certified shall be listed by the registrar or clerk on the numbered list of absentee voters prepared for his or her precinct.

O.C.G.A. § 21-2-386(a)(1)(B) (emphasis added).

21.

The Georgia Legislature's use of the word "shall" on three separate occasions indicates the clear process that ***must*** be followed by the County Officials in processing absentee ballots.

22.

Under O.C.G.A. § 21-2-386(a)(1)(C), the Georgia Legislature also established a clear and efficient process to be used by County Officials if they determine that an elector has failed to sign the oath on the outside envelope enclosing the ballot or that the signature does not conform with the signature on file in the registrar's or clerk's office (a "defective absentee ballot").

23.

The Georgia Legislature also provided for the steps to be followed by County Officials with respect to defective absentee ballots:

If the elector has failed to sign the oath, or if the signature does not appear to be valid, or if the elector has failed to furnish required information or information so furnished does not conform with that on file in the registrar's or clerk's office, or if the elector is otherwise found disqualified to vote, the registrar or clerk shall write across the face of the envelope "Rejected," giving the reason therefor. The board of registrars or absentee ballot clerk shall promptly notify the elector of such rejection, a copy of which notification shall be retained in the files of the board of registrars or absentee ballot clerk for at least one year.

O.C.G.A. § 21-2-386(a)(1)(C) (emphasis added).

24.

The Georgia Legislature again used the word “shall” to indicate when a defective absentee ballot shall be “rejected.” The Georgia Legislature also contemplated the use of a written notification to be used by the county registrar or clerk in notifying the elector of the rejection.

III. Defendants’ Unauthorized Actions to Alter the Georgia Election Code and the Processing of Defective Absentee Ballots.

25.

Notwithstanding the clarity of the applicable statutes and the constitutional authority for the Georgia Legislature’s actions, on March 6, 2020, the Secretary of State of the State of Georgia, Secretary Raffensperger, and the State Election Board, who administer the state elections (the “Administrators”) entered into a “Compromise and Settlement Agreement and Release” (the “Litigation Settlement”) with the Democratic Party of Georgia, Inc., the Democrat Senatorial Campaign Committee, and the Democratic Congressional Campaign Committee (collectively, the “Democrat Party Agencies”), setting forth different standards to be followed by the clerks and registrars in processing absentee ballots in the State

of Georgia.² A true and correct copy of the Litigation Settlement is attached hereto and incorporated herein as **Exhibit A**.

26.

The Litigation Settlement sets forth different standards to be followed by the clerks and registrars in processing absentee ballots in the State of Georgia than those described above.

27.

Although Secretary Raffensperger, as the Secretary of State, is authorized to promulgate rules and regulations that are “conducive to the fair, legal, and orderly conduct of primaries and elections” but all such rules and regulations must be “consistent with law.” O.C.G.A. § 21-2-31(2).

28.

Under the Litigation Settlement, however, the Administrators agreed to change the statutorily-prescribed manner of handling absentee ballots in a manner that was not consistent with the laws promulgated by the Georgia Legislature for elections in this state.

² See *Democratic Party of Georgia, Inc., et al. v. Raffensperger, et al.*, Civil Action File No. 1:19-cv-05028-WMR, United States District Court for the Northern District of Georgia, Atlanta Division, Doc. 56-1.

29.

The Litigation Settlement provides that the Secretary of State would issue an “Official Election Bulletin” to county Administrators overriding the statutory procedures prescribed for those officials. That power, however, does not belong to the Secretary of State under the United States Constitution.

30.

The Litigation Settlement procedure, set forth in pertinent part below, is more cumbersome, and makes it much more difficult to follow the statute with respect to defective absentee ballots.

31.

Because of the COVID-19 pandemic and the pressures created by a larger number of absentee ballots, County Officials were under great pressure to handle an historical level of absentee voting.

32.

Additionally, the County Officials were required to certify the speed with which they were handling absentee ballots on a daily basis, with the goal of processing absentee ballots faster than they had been processed in the past.

33.

Under the Litigation Settlement, the following language added to the pressures and complexity of processing defective absentee ballots, making it less likely that they would be identified or, if identified, processed for rejection:

County registrars and absentee ballot clerks *are required*, upon receipt of each mail-in absentee ballot, to compare the signature or make of the elector on the mail-in absentee ballot envelope with the signatures or marks in eNet and on the application for the mail-in absentee ballot. If the signature does not appear to be valid, registrars and clerks are required to follow the procedure set forth in O.C.G.A. § 21-2-386(a)(1)(C). When reviewing an elector's signature on the mail-in absentee ballot envelope, the registrar or clerk must compare the signature on the mail-in absentee ballot envelope to each signature contained in such elector's voter registration record in eNet and the elector's signature on the application for the mail-in absentee ballot. *If the registrar or absentee ballot clerk determines that the voter's signature on the mail-in absentee ballot envelope does not match any of the voter's signatures on file in eNet or on the absentee ballot application, the registrar or absentee ballot clerk must seek review from two other registrars, deputy registrars, or absentee ballot clerks. A mail-in absentee ballot shall not be rejected unless a majority of the registrars, deputy registrars, or absentee ballot clerks reviewing the signature agree that the signature does not match any of the voter's signatures on file in eNet or on the absentee ballot application. If a determination is made that the elector's signature on the mail-in absentee ballot envelope does not match any of the voter's signatures on file in eNet or on the absentee ballot application, the registrar or absentee ballot clerk shall write the names of the three elections officials who conducted the signature review across the face of the absentee ballot envelope, which shall be in addition to writing "Rejected" and the reason for the rejection as required under O.C.G.A. § 21-2-386(a)(1)(C).* Then, the registrar or absentee ballot clerk shall commence the notification procedure set

forth in O.C.G.A. § 21-2-386(a)(1)(C) and State Election Board Rule 183-1-14-.13.

(See Ex. A, Litigation Settlement, p. 3-4, ¶ 3, “Signature Match” (emphasis added).)

34.

The underlined language above is not consistent with the statute adopted by the Georgia Legislature.

35.

First, the Litigation Settlement overrides the clear statutory authorities granted to County Officials individually and forces them to form a committee of three if any one official believes that an absentee ballot is a defective absentee ballot.

36.

Such a procedure creates a cumbersome bureaucratic procedure to be followed with each defective absentee ballot – and makes it likely that such ballots will simply not be identified by the County Officials.

37.

Second, the Litigation Settlement allows a County Official to compare signatures in ways not permitted by the statutory structure created by the Georgia Legislature.

38.

The Georgia Legislature prescribed procedures to ensure that any request for an absentee ballot must be accompanied by sufficient identification of the elector's identity. *See* O.C.G.A. § 21-2-381(b)(1) (providing, in pertinent part, "In order to be found eligible to vote an absentee ballot in person at the registrar's office or absentee ballot clerk's office, such person shall show one of the forms of identification listed in Code Section 21-2-417...").

39.

Under O.C.G.A. § 21-2-220(c), the elector must present identification, but need not submit identification if the electors submit with their application information such that the County Officials are able to match the elector's information with the state database, generally referred to as the eNet system.

40.

The system for identifying absentee ballots was carefully constructed by the Georgia Legislature to ensure that electors were identified by acceptable identification (O.C.G.A. § 21-2-417 even permits the use of an expired driver's license), but at some point in the process, the Georgia Legislature mandated the system whereby the elector be identified for each absentee ballot.

41.

Under the Litigation Settlement, any determination of a signature mismatch would lead to the cumbersome process described in the settlement, which was not intended by the Georgia Legislature, which authorized those decisions to be made by single election officials.

42.

The Georgia Legislature also provided for the opportunity to cure (again, different from the opportunity to cure in the Litigation Settlement), but did not allocate funds for three County Officials for every mismatch decision.

43.

In the primary preceding the November 3, 2020 election, news stories recorded that many absentee ballots did not reach voters until after the polls were closed. *See, e.g.*, F. Bajak and C. Cassidy, “Vote-by-mail worries: A ‘leaky pipeline’ in many states,” Associated Press Aug. 8, 2020, <https://apnews.com/article/u-s-news-ap-top-news-election-2020-technology-politics-52e87011f4d04e41bfffcc64fc878e7>, retrieved Nov. 11, 2020).

44.

In response and to encourage confidence in absentee voting during the COVID-19 crisis, the Secretary of State launched Ballot Trax to track absentee

ballots, permitting electors to track the progress of absentee ballots as they were processed.

45.

Announcing Ballot Trax further increased pressure on County Officials to process absentee ballot applications quickly, so that they would not be perceived as “falling behind” in processing ballots.

46.

County Officials were not incentivized to spend additional time to check absentee ballot applications – by increasing the number of reviewers and complexity of the process, the Litigation Settlement procedures created further disincentives to accurate processing of signature matches.

47.

Finally, under paragraph 4 of the Litigation Settlement, the Administrators delegated their responsibilities for determining when there was a signature mismatch by considering in good faith “additional guidance and training materials” drafted by the “handwriting and signature review expert” of the Democrat Party Agencies. (See Ex. A, Litigation Settlement, p. 4, ¶ 4, “Consideration of Additional Guidance for Signature Matching.”)

48.

Allowing a single political party to write rules for reviewing signatures is not “conducive to the fair...conduct of primaries and elections” or “consistent with law” under O.C.G.A. § 21-2-31.

49.

The Litigation Settlement by itself has created confusion, misplaced incentives, and undermined the confidence of the voters of the State of Georgia in the electoral system.

50.

Neither it nor any of the activities spawned by it were authorized by the Georgia Legislature, as required by the United States Constitution.

IV. The November 3, 2020 General Election and “Hand” Recount.

51.

On November 3, 2020, the general election was held for the election of the United States President and two Georgia senate races for the United States Senate.

52.

According to Secretary Raffensperger, in the presidential general election, 2,457,880 votes were cast in Georgia for President Donald J. Trump, and 2,472,002 votes were cast for Joseph R. Biden.

53.

According to Secretary Raffensperger, in the general election for one of Georgia's United States Senators, 2,458,665 votes were cast for Senator David A. Perdue, and 2,372,086 votes were cast for Jon Ossoff. As a result, a run-off election between Senator Perdue and Mr. Ossoff will occur on January 5, 2021.

54.

According to Secretary Raffensperger, in the special election for the other of Georgia's United States Senators held on November 3, 2020, 1,271,106 votes were cast for Senator Kelly Loeffler, and 1,615,402 votes were cast for Reverend Raphael Warnock. As a result, a run-off election between Senator Loeffler and Rev. Warnock will occur on January 5, 2021.

55.

Secretary Raffensperger directed a "full hand recount" of all ballots in the State of Georgia to be completed by Wednesday, November 18, 2020 (the "Hand Recount"). *See* "Monitors Closely Observing Audit-Triggered Full Hand Recount: Transparency is Built Into Process," Georgia Secretary of State, https://sos.ga.gov/index.php/elections/monitors_closely_observing_audit-triggered_full_hand_recount_transparency_is_built_into_process, retrieved Nov. 16, 2020.

56.

Secretary Raffensperger declared that for the Hand Recount,

Per the instructions given to counties as they conduct their audit triggered full hand recounts, designated monitors will be given complete access to observe the process from the beginning. While the audit triggered recount must be open to the public and media, designated monitors will be able to observe more closely. The general public and the press will be restricted to a public viewing area. Designated monitors will be able to watch the recount while standing close to the elections workers conducting the recount.

Political parties are allowed to designate a minimum of two monitors per county at a ratio of one monitor per party for every ten audit boards in a county... Beyond being able to watch to ensure the recount is conducted fairly and securely, the two-person audit boards conducting the hand recount call out the votes as they are recounted, providing monitors and the public an additional way to keep tabs on the process.

Id.

57.

Non-parties Amanda Coleman and Maria Diedrich are two individuals who volunteered to serve as designated monitors for the Donald J. Trump Presidential Campaign, Inc. (the “Trump Campaign”) on behalf of the Georgia Republican Party (the “Republican Party”) at the Hand Recount. Attached hereto and incorporated herein as **Exhibits B and C**, respectively, are true and correct copies of (1) the Affidavit of Amanda Coleman in Support of Plaintiffs’ Motion for Temporary Restraining Order (the “Coleman Affidavit”), and (2) the Affidavit of

Maria Diedrich in Support of Plaintiffs’ Motion for Temporary Restraining Order (the “Diedrich Affidavit”) (collectively the ”Affidavits”). (*See* Ex. B, Coleman Aff., ¶ 2; Ex. C, Diedrich Aff., ¶ 2.)

58.

The Affidavits set forth various improprieties, insufficiencies, and improper handling of ballots by County Officials and their employees that Ms. Coleman and Ms. Diedrich personally observed while monitoring the Hand Recount. (*See* Ex. B, Coleman Aff., ¶¶ 3-10; Ex. C, Diedrich Aff., ¶¶ 4-14.)

59.

For example, Ms. Coleman was directed to arrive at the Hand Recount between 8:00 a.m. and 9:00 a.m. on November 15, 2020. (*See* Ex. B, Coleman Aff., ¶ 3.) Ms. Coleman actually arrived at 9:00 a.m. (*See id.*, ¶ 4.) As she arrived, Ms. Coleman was informed by a large crowd that “they had ‘just finished’ the hand recount.” (*See id.*, ¶ 5.)

60.

Ms. Diedrich arrived at the Hand Recount at 8:00 a.m. on November 15, 2020. (*See* Ex. C, Diedrich Aff., ¶ 4.) Ms. Diedrich reports that, “By 9:15 a.m., officials announced that voting was complete and sent everyone home... The

officials announced that they had counted all the absentee [ballots] on November 14 at night and they were already boxed up.” (*See id.*, ¶¶ 4-5.)

61.

As a result of her observations of the Hand Recount as a Republican Party monitor, Ms. Diedrich declared, “There had been no meaningful way to review or audit any activity” at the Hand Recount. (*See Ex. C, Diedrich Aff.*, ¶ 14.)

62.

As a result of their observations of the Hand Recount as Republic Party monitors, Ms. Coleman likewise declared, “There was no way to tell if any counting was accurate or if the activity was proper.” (*See Ex. B, Coleman Aff.*, ¶ 10.)

63.

There was no actual “hand” recounting of the ballots during the Hand Recount, but rather, County Officials and their employees simply conducted another machine count of the ballots.

COUNT I
First Amendment and Equal Protection
U.S. Const. amend. XIV, 42 U.S.C. § 1983

64.

Plaintiff incorporates by reference and realleges all prior paragraphs of this Complaint and the paragraphs in the counts below as though set forth fully herein.

65.

The right of qualified citizens to vote in a state election involving federal candidates is recognized as a fundamental right under the Fourteenth Amendment of the United States Constitution, which prohibits a state from “deny[ing] to any person within its jurisdiction the equal protection of the laws.” U.S. Const. Amend. XIV, § 1.

66.

The equal enforcement of election laws is necessary to preserve our most basic and fundamental rights.

67.

The requirement of equal protection is particularly stringently enforced as to laws that affect the exercise of fundamental rights, including the right to vote.

68.

The Equal Protection Clause requires states to “avoid arbitrary and disparate treatment of the members of its electorate.” *Charfauros v. Bd. of Elections*, 249 F.3d 941, 951 (9th Cir. 2001) (quoting *Bush*, 531 U.S. at 105).

69.

That is, each citizen “has a constitutionally protected right to participate in elections on an equal basis with other citizens in the jurisdiction.” *Dunn v. Bloomstein*, 405 U.S. 330, 336 (1972).

70.

“Having once granted the right to vote on equal terms, the State may not, by later arbitrary and disparate treatment, value one person’s vote over that of another.” *Bush*, 531 U.S. at 104-05. Among other things, this requires “specific rules designed to ensure uniform treatment” in order to prevent “arbitrary and disparate treatment to voters.” *Id.* at 106-07.

71.

“The right to vote extends to all phases of the voting process, from being permitted to place one’s vote in the ballot box to having that vote actually counted. Thus, the right to vote applies equally to the initial allocation of the franchise as well as the manner of its exercise. Once the right to vote is granted, a state may

not draw distinctions between voters that are inconsistent with the guarantees of the Fourteenth Amendment's equal protection clause.” *Pierce v. Allegheny County Bd. of Elections*, 324 F.Supp.2d 684, 695 (W.D. Pa. 2003) (citations and quotations omitted).

72.

“[T]reating voters differently” thus “violate[s] the Equal Protection Clause” when the disparate treatment is the result of arbitrary, ad hoc processes. *Charfauros*, 249 F.3d at 954. Indeed, a “minimum requirement for non-arbitrary treatment of voters [is] necessary to secure the fundamental right [to vote].” *Bush*, 531 U.S. at 105.

73.

Defendants are not part of the Georgia Legislature and cannot exercise legislative power to enact rules or regulations regarding the handling of defective absentee ballots that are contrary to the Georgia Election Code.

74.

By entering the Litigation Settlement and altering the process for handling defective absentee ballots in Georgia, Defendants unilaterally, and without authority, altered the Georgia Election Code.

75.

The result is that absentee ballots have been processed differently by County Officials than the process created by the Georgia Legislature and set forth in the Georgia Election Code.

76.

Further, allowing a single political party to write rules for reviewing signatures, as paragraph 4 of the Litigation Settlement provides, is not “conducive to the fair...conduct of primaries and elections” or “consistent with law” under O.C.G.A. § 21-2-31.

77.

The rules and regulations set forth in the Litigation Settlement created an arbitrary, disparate, and ad hoc process for processing defective absentee ballots, contrary to Georgia law that was utilized in determining the results of the November 3, 2020 general election.

78.

This disparate treatment is not justified by, and is not necessary to promote, any substantial or compelling state interest that cannot be accomplished by other, less restrictive means.

79.

The foregoing injuries, burdens, and infringements that are caused by Defendants' conduct violates the Equal Protection Clause of the Fourteenth Amendment.

80.

The foregoing violations occurred as a consequence of Defendants acting under color of state law. Accordingly, Plaintiff is entitled to declaratory and injunctive relief against Defendants pursuant to 42 U.S.C. § 1983.

81.

As a result of Defendants' unauthorized actions and disparate treatment of defective absentee ballots, this Court should enter an order, declaration, and/or injunction that prohibits Defendants from certifying the results of the 2020 general election in Georgia on a statewide basis.

82.

Alternatively, this Court should enter an order, declaration, and/or injunction prohibiting Defendants from certifying the results of the General Elections which include the tabulation of defective absentee ballots, regardless of whether said ballots were cured.

83.

Alternatively, this Court should enter an order, declaration, and/or injunction that the results of the 2020 general election in Georgia are defective as a result of the above-described constitutional violations, and that Defendants are required to cure said deficiencies in a manner consistent with federal and Georgia law, and without the taint of the procedures described in the Litigation Settlement.

84.

Plaintiff has no adequate remedy at law and will suffer serious and irreparable harm unless the relief requested herein is granted.

COUNT II
Violation of the Electors & Election Clauses
U.S. Const. Art. I, § 4, cl. 1 & Art. II, § 1, cl. 2

85.

Plaintiff incorporates by reference and realleges all prior paragraphs of this Complaint and the paragraphs in the counts below as though set forth fully herein.

86.

The Electors Clause states that “[e]ach State shall appoint, in such Manner as *the Legislature* thereof may direct, a Number of Electors” for President. U.S. Const. art. II, § 1, cl. 2 (emphasis added). Likewise, the Elections Clause of the United States Constitution states that “[t]he Times, Places, and Manner of holding

Elections for Senators and Representatives, shall be prescribed in each State by *the Legislature* thereof.” U.S. Const. art. I, § 4, cl. 1 (emphasis added).

87.

Secretary Raffensperger is not part of the Georgia Legislature and cannot exercise legislative power.

88.

Further, because the United States Constitution reserves for the Georgia Legislature the power to set the “Times, Places, and Manner” of holding elections for President and Congress, the Administrators have no authority to unilaterally exercise that power, much less to hold them in ways that conflict with existing legislation. U.S. Const. Art. I, § 4, cl. 1.

89.

By entering the Litigation Settlement, Secretary Raffensperger imposed a different procedure for handling defective absentee ballots that is contrary to the Georgia Election Code. *See* O.C.G.A. § 21-2-386.

90.

The procedure set forth in the Litigation Settlement for the handling of defective absentee ballots is not consistent with the laws of the State of Georgia,

and thus, Defendants' actions under the Litigation Settlement exceed their authority. *See* O.C.G.A. § 21-2-31(2).

91.

Defendants are not the Georgia Legislature, and their unilateral decision to implement rules and procedures regarding absentee ballots that are contrary to the Georgia Election Code constitutes a violation of the Electors and Elections Clauses of the United States Constitution.

92.

The foregoing violations occurred as a consequence of Defendants acting under color of state law. Accordingly, Plaintiff is entitled to declaratory and injunctive relief against Defendants pursuant to 42 U.S.C. § 1983.

93.

As a result of Defendants' unauthorized actions and disparate treatment of defective absentee ballots, this Court should enter an order, declaration, and/or injunction that prohibits Defendants from certifying the results of the 2020 general election in Georgia on a statewide basis.

94.

Alternatively, this Court should enter an order, declaration, and/or injunction prohibiting Defendants from certifying the results of the General Elections which

include the tabulation of defective absentee ballots, regardless of whether said ballots were cured.

95.

Alternatively, this Court should enter an order, declaration, and/or injunction that the results of the 2020 general election in Georgia are defective as a result of the above-described constitutional violations, and that Defendants are required to cure said deficiencies in a manner consistent with federal and Georgia law, and without the taint of the procedures described in the Litigation Settlement.

96.

Plaintiff has no adequate remedy at law and will suffer serious and irreparable harm unless the relief requested herein is granted.

COUNT III
Due Process
U.S. Const. amend. XIV, 42 U.S.C. § 1983

97.

Plaintiff incorporates by reference and realleges all prior paragraphs of this Complaint and the paragraphs in the counts below as though set forth full herein.

98.

Voting is a fundamental right protected by the Fourteenth Amendment to the United States Constitution.

99.

The Fourteenth Amendment protects the right to vote from conduct by state officials which seriously undermines the fundamental fairness of the electoral process. *See Marks v. Stinson*, 19 F.3d 873, 889 (3d Cir. 1994); *Griffin v. Burns*, 570 F.2d 1065, 1077-78 (1st Cir. 1978). “Having once granted the right to vote on equal terms, the State may not, by later arbitrary and disparate treatment, value one person’s vote over that of another.” *Bush*, 531 U.S. at 104-05. Among other things, this requires “specific rules designed to ensure uniform treatment” in order to prevent “arbitrary and disparate treatment to voters.” *Id.* at 106-07.

100.

“[T]reating voters differently” thus “violate[s] the Equal Protection Clause” when the disparate treatment is the result of arbitrary, ad hoc processes. *Charfauros*, 249 F.3d at 954. Indeed, a “minimum requirement for non-arbitrary treatment of voters [is] necessary to secure the fundamental right [to vote].” *Bush*, 531 U.S. at 105.

101.

In statewide and federal elections conducted in the State of Georgia, including, without limitation, the November 3, 2020 general election, the Hand Recount, and the upcoming January 5, 2021 run-off election, all candidates,

political parties, and voters, including, without limitation, Plaintiff, have a vested interest in being present and having meaningful access to observe and monitor the electoral process to ensure that it is properly administered in every election district and that is otherwise free, fair, and transparent.

102.

Defendants have a duty to guard against deprivation of the right to vote and to ensure that all candidates and political parties have meaningful access to observe and monitor the electoral process, including, without limitation, the November 3, 2020 general election, the Hand Recount, and the upcoming January 5, 2021 run-off election, in order to ensure that the electoral process is properly administered in every election district and is otherwise free, fair, and transparent.

103.

Rather than heeding these mandates and duties, Defendants arbitrarily and capriciously denied, or allowed County Officials to deny, the Trump Campaign meaningful access to observe and monitor the electoral process, as is further set forth in the Affidavits.

104.

Defendants intentionally and/or arbitrarily and capriciously denied Plaintiff and the Trump Campaign access to and/or obstructed actual observation and

monitoring of the absentee ballots being processed by Defendants and County Officials, both in the November 3, 2020 general election and the Hand Recount.

105.

Defendants have acted and will continue to act under color of state law to violate the right to vote and due process as secured by the Fourteenth Amendment to the United States Constitution.

106.

As a result of Defendants' improper actions described herein, this Court should enter an order, declaration, and/or injunction requiring as follows:

- a. That any recount of the November 3, 2020 elections, including but not limited to the Hand Recount, be reperformed consistent with this Court's declaration;
- b. That monitors designated by the Republican Party have the right to be present to meaningfully observe all election activity, from the receipt of a ballot to the entry or tabulation of the resulting vote, as to the Hand Recount, any reconducting of the Hand Recount, and the upcoming January 5, 2021 run-off election;
- c. That Plaintiff and the Republican Party be given at least 24 hours notice prior to any and all election activity;

- d. That all ballots cast in Georgia be read by two persons employed by the County Officials, with said readings being overseen by Republican Party-designated monitors;
- e. That the Republican Party immediately receive certified copies of all ballot envelopes and requests for absentee ballots received by Defendants, and further, that the Republican Party has the right to compare voter or application signatures on ballot envelopes and requests for absentee ballots with eNet; and
- f. That, for the upcoming January 5, 2021 run-off election, the Republican Party has the right to have absentee ballot watchers/monitors present at all signature verification processes, from the receipt of the request for an absentee ballot to the opening of the absentee ballot and processing of the same.

107.

Plaintiff has no adequate remedy at law and will suffer serious and irreparable harm unless the injunctive relief requested herein is granted.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff requests the following relief:

(a) That, as a result of Defendants' violations of the United States Constitution and violations of other federal and state election laws, this Court should enter an order, declaration, and/or injunction that prohibits Defendants from certifying the results of the 2020 general election in Georgia on a statewide basis;

(b) Alternatively, that, as a result of Defendants' violations of the United States Constitution and violations of other federal and state election laws, this Court should enter an order, declaration, and/or injunction prohibiting Defendants from certifying the results of the General Elections which include the tabulation of defective absentee ballots, regardless of whether said ballots were cured;

(c) Alternatively, that, as a result of Defendants' violations of the United States Constitution and violations of other federal and state election laws, this Court should enter an order, declaration, and/or injunction that the results of the 2020 general election in Georgia are defective as a result of the above-described constitutional violations, and that Defendants are required to cure said deficiencies in a manner consistent with federal and Georgia law, and without the taint of the procedures described in the Litigation Settlement;

(d) That this Court should enter an order, declaration, and/or injunction requiring as follows:

1. That any recount of the November 3, 2020 elections, including but not limited to the Hand Recount, be reperformed consistent with this Court's declaration;
2. That monitors designated by the Republican Party have the right to be present to meaningfully observe all election activity, from the receipt of a ballot to the entry or tabulation of the resulting vote, as to the Hand Recount, any reconducting of the Hand Recount, and the upcoming January 5, 2021 run-off election;
3. That Plaintiff and the Republican Party be given at least 24 hours notice prior to any and all election activity;
4. That all ballots cast in Georgia be read by two persons employed by the County Officials, with said readings being overseen by Republican Party-designated monitors;
5. That the Republican Party immediately receive certified copies of all ballot envelopes and requests for absentee ballots received by Defendants, and further, that the Republican Party has the right to compare voter or application signatures on ballot envelopes and requests for absentee ballots with the eNet; and

6. That, for the upcoming January 5, 2021 run-off election, the Republican Party has the right to have absentee ballot watchers/monitors present at all signature verification processes, from the receipt of the request for an absentee ballot to the opening of the absentee ballot and processing of the same; and

(e) Any and other such further relief that this Court or the Finder of Fact deems equitable and just.

COMPROMISE SETTLEMENT AGREEMENT AND RELEASE

This **Compromise Settlement Agreement and Release** (“Agreement”) is made and entered into by and between the Democratic Party of Georgia, Inc. (“DPG”), the DSCC, and the DCCC (collectively, the “Political Party Committees”), on one side, and Brad Raffensperger, Rebecca N. Sullivan, David J. Worley, Seth Harp, and Anh Le (collectively, “State Defendants”), on the other side. The parties to this Agreement may be referred to individually as a “Party” or collectively as the “Parties.” The Agreement will take effect when each and every Party has signed it, as of the date of the last signature (the “Effective Date”).

WHEREAS, in the lawsuit styled as *Democratic Party of Georgia, et al. v. Raffensperger, et al.*, Civil Action File No. 1:19-cv-5028-WMR (the “Lawsuit”), the Political Party Committees have asserted claims in their Amended Complaint [Doc. 30] that the State Defendants’ (i) absentee ballot signature matching procedure, (ii) notification process when an absentee ballot is rejected for any reason, and (iii) procedure for curing a rejected absentee ballot, violate the First and Fourteenth Amendments to the United States Constitution by unduly burdening the right to vote, subjecting similarly situated voters to disparate treatment, and failing to afford Georgia voters due process (the “Claims”), which the State Defendants deny;

WHEREAS, the State Defendants, in their capacity as members of the State Election Board, adopted on February 28, 2020 Rule 183-1-14-.13, which sets forth specific and standard notification procedures that all counties must follow after rejection of a timely mail-in absentee ballot;

WHEREAS, the State Defendants have a Motion to Dismiss [Doc. 45] pending before the Court, which sets forth various grounds for dismissal of the Amended Complaint, including mootness in light of the State Election Board’s promulgation subsequent to adoption on February 28, 2020 of Rule 183-1-14-.13, which Motion the Political Party Committees deny is meritorious;

WHEREAS, all Parties desire to compromise and settle all disputed issues and claims arising from the Lawsuit, finally and fully, without admission of liability, having agreed on the procedures and guidance set forth below with respect to the signature matching and absentee ballot rejection notification and cure procedures; and

WHEREAS, by entering into this Agreement, the Political Party Committees do not concede that the challenged laws and procedures are constitutional, and

similarly, the State Defendants do not concede that the challenged laws and procedures are unconstitutional.

NOW THEREFORE, for and in consideration of the promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties do hereby agree as follows:

1. Dismissal. Within five (5) business days of March 22, 2020, the effective date of the Prompt Notification of Absentee Ballot Rejection rule specified in paragraph 2(a), the Political Party Committees shall dismiss the Lawsuit with prejudice as to the State Defendants.

2. Prompt Notification of Absentee Ballot Rejection.

(a) The State Defendants, in their capacity as members of the State Election Board, agree to promulgate and enforce, in accordance with the Georgia Administrative Procedures Act and State Election Board policy, the following State Election Board Rule 183-1-14-.13 of the Georgia Rules and Regulations:

When a timely submitted absentee ballot is rejected, the board of registrars or absentee ballot clerk shall send the elector notice of such rejection and opportunity to cure, as provided by O.C.G.A. § 21-2-386, by mailing written notice, and attempt to notify the elector by telephone and email if a telephone number or email is on the elector's voter registration record, no later than the close of business on the third business day after receiving the absentee ballot. However, for any timely submitted absentee ballot that is rejected on or after the second Friday prior to Election Day, the board of registrars or absentee ballot clerk shall send the elector notice of such rejection and opportunity to cure, as provided by O.C.G.A. § 21-2-386, by mailing written notice, and attempt to notify the elector by telephone and email if a telephone number or email is on the elector's voter registration record, no later than close of business on the next business day.

Ga. R. & Reg. § 183-1-14-.13 Prompt Notification of Absentee Ballot Rejection

(b) Unless otherwise required by law, State Defendants agree that any amendments to Rule 183-1-14-.13 will be made in good faith in the spirit of ensuring that voters are notified of rejection of their absentee ballots with ample time to cure

their ballots. The Political Party Committees agree that the State Election Board's proposed amendment to Rule 183-1-14-.13 to use contact information on absentee ballot applications to notify the voter fits within that spirit.

3. Signature Match.

(a) Secretary of State Raffensperger, in his official capacity as Secretary of State, agrees to issue an Official Election Bulletin containing the following procedure applicable to the review of signatures on absentee ballot envelopes by county elections officials and to incorporate the procedure below in training materials regarding the review of absentee ballot signatures for county registrars:

County registrars and absentee ballot clerks are required, upon receipt of each mail-in absentee ballot, to compare the signature or mark of the elector on the mail-in absentee ballot envelope with the signatures or marks in eNet and on the application for the mail-in absentee ballot. If the signature does not appear to be valid, registrars and clerks are required to follow the procedure set forth in O.C.G.A. § 21-2-386(a)(1)(C). When reviewing an elector's signature on the mail-in absentee ballot envelope, the registrar or clerk must compare the signature on the mail-in absentee ballot envelope to each signature contained in such elector's voter registration record in eNet and the elector's signature on the application for the mail-in absentee ballot. If the registrar or absentee ballot clerk determines that the voter's signature on the mail-in absentee ballot envelope does not match any of the voter's signatures on file in eNet or on the absentee ballot application, the registrar or absentee ballot clerk must seek review from two other registrars, deputy registrars, or absentee ballot clerks. A mail-in absentee ballot shall not be rejected unless a majority of the registrars, deputy registrars, or absentee ballot clerks reviewing the signature agree that the signature does not match any of the voter's signatures on file in eNet or on the absentee ballot application. If a determination is made that the elector's signature on the mail-in absentee ballot envelope does not match any of the voter's signatures on file in eNet or on the absentee ballot application, the registrar or absentee ballot clerk shall write the names of the three elections officials who conducted the signature review across the face of the absentee ballot envelope, which shall be in addition to writing "Rejected" and the reason for the rejection as required under OCGA 21-2-386(a)(1)(C). Then, the registrar or absentee ballot clerk shall

commence the notification procedure set forth in O.C.G.A. § 21-2-386(a)(1)(C) and State Election Board Rule 183-1-14-.13.

(b) The Parties agree that the guidance in paragraph 3(a) shall be issued in advance of all statewide elections in 2020, including the March 24, 2020 Presidential Primary Elections and the November 3, 2020 General Election.

4. Consideration of Additional Guidance for Signature Matching. The State Defendants agree to consider in good faith providing county registrars and absentee ballot clerks with additional guidance and training materials to follow when comparing voters' signatures that will be drafted by the Political Party Committees' handwriting and signature review expert.

5. Attorneys' Fees and Expenses. The Parties to this Agreement shall bear their own attorney's fees and costs incurred in bringing or defending this action, and no party shall be considered to be a prevailing party for the purpose of any law, statute, or regulation providing for the award or recovery of attorney's fees and/or costs.

6. Release by The Political Party Committees. The Political Party Committees, on behalf of themselves and their successors, affiliates, and representatives, release and forever discharge the State Defendants, and each of their successors and representatives, from the prompt notification of absentee ballot rejection and signature match claims and causes of action, whether legal or equitable, in the Lawsuit.

7. No Admission of Liability. It is understood and agreed by the Parties that this Agreement is a compromise and is being executed to settle a dispute. Nothing contained herein may be construed as an admission of liability on the part of any of the Parties.

8. Authority to Bind; No Prior Assignment of Released Claims. The Parties represent and warrant that they have full authority to enter into this Agreement and bind themselves to its terms.

9. No Presumptions. The Parties acknowledge that they have had input into the drafting of this Agreement or, alternatively, have had an opportunity to have input into the drafting of this Agreement. The Parties agree that this Agreement is and shall be deemed jointly drafted and written by all Parties to it, and it shall be interpreted fairly, reasonably, and not more strongly against one Party than the other.

Accordingly, if a dispute arises about the meaning, construction, or interpretation of this Agreement, no presumption will apply to construe the language of this Agreement for or against any Party.

10. Knowing and Voluntary Agreement. Each Party to this Agreement acknowledges that it is entering into this Agreement voluntarily and of its own free will and accord, and seeks to be bound hereunder. The Parties further acknowledge that they have retained their own legal counsel in this matter or have had the opportunity to retain legal counsel to review this Agreement.

11. Choice of Law, Jurisdiction and Venue. This Agreement will be construed in accordance with the laws of the State of Georgia. In the event of any dispute arising out of or in any way related to this Agreement, the Parties consent to the sole and exclusive jurisdiction of the state courts located in Fulton County, Georgia. The Parties waive any objection to jurisdiction and venue of those courts.

12. Entire Agreement; Modification. This Agreement sets forth the entire agreement between the Parties hereto, and fully supersedes any prior agreements or understandings between the Parties. The Parties acknowledge that they have not relied on any representations, promises, or agreements of any kind made to them in connection with their decision to accept this Agreement, except for those set forth in this Agreement.

13. Counterparts. This Agreement may be executed in counterparts which, taken together, will constitute one and the same Agreement and will be effective as of the date last set forth below, and signatures by facsimile and electronic mail will have the same effect as the originals.

IN WITNESS WHEREOF, the Parties have set their hands and seals to this instrument on the date set forth below.

I, Amanda Coleman, declare under penalty of perjury that the following is true and correct:

1. I am over the age of 18 years and competent to testify herein. I have personal knowledge of the matters stated herein.

2. I volunteered to be a monitor for the Donald J. Trump Presidential Campaign, Inc. (the "Trump Campaign") in connection with what was identified to me as the "hand count" of votes cast in the November 3, 2020 presidential election. I was assigned to monitor the hand count on November 15, 2020 by Alyssa Specht from the Trump Campaign, on behalf of the Georgia Republican Party (the "Republican Party").
3. Ms. Edmunds of the Republican Party told to arrive at 285 Andrew Young International Blvd. between 8:00 a.m. and 9:00 am on the morning of November 15. The address was for the Georgia World Congress Center, and there was no exterior activity at that address when I arrived. There were no instructional or directional signs.
4. After I made a series of phone calls ending with Matthew Honeycutt, he gave me directions to go to the bottom rear of the building to an "employee entrance." I arrived at 9:00 a.m.
5. As I arrived, a large crowd was leaving, saying that they had "just finished" the hand recount.
6. Another volunteer and I walked into the counting area to verify what had been said and to observe any activity, as we had been requested to do. Some counting activity appeared to still be going on.

7. We signed in, and then were told that there were "too many" volunteers on the floor and that we would not be permitted to walk the floor and observe.
8. I saw a few people here and there walking the floor. But there were no other observers at the tables where counting activity was happening. There were two people per table and they appeared to be sticking ballots into piles. We were not close enough to see much of anything else because we were not allowed.
9. I believed that we were there to watch actual "hand counting" as had been announced in the newspapers and by the Secretary of State when he requested a "hand count."
10. There was no way to tell if any counting was accurate or if the activity was proper.

CIVIL ACTION
FILE NO. _____

**AFFIDAVIT OF MARIA DIEDRICH IN SUPPORT OF
PLAINTIFFS' MOTION FOR TEMPORARY RESTRAINING ORDER**

I, Maria Diedrich, declare under penalty of perjury that the following is true
and correct:

1. I am over the age of 18 years and competent to testify herein. I have personal
knowledge of the matters stated herein. I am a resident of Fulton County.

{00583831.}

2. I volunteered to be a monitor for the Donald J. Trump Presidential Campaign, Inc. (the "Trump Campaign") in connection with what was identified to me as the "hand count" of votes cast in the November 3, 2020 presidential election. I was assigned to monitor the hand count on November 14 and 15, 2020 by Alyssa Specht from the Trump Campaign, on behalf of the Georgia Republican Party (the "Republican Party").
3. I believed that we were there to watch actual "hand counting" as had been announced in the newspapers and by the Secretary of State when he requested a "hand count."
4. On November 15, 2020, I arrived at the Georgia world Congress Center at 8:00 a.m. to monitor the hand counting. By 9:15 a.m., officials announced that voting was complete and sent everyone home. I spoke to a security guard who was shocked because he planned to be there until 10 p.m. He had been at that location until 10:00 p.m. on the previous night.
5. The officials announced that they had counted all the absentee on November 14 at night and they were already boxed up.
6. The only ballots left to count (for me to observe) were electronic ones, which were being counted in stacks or rows (not consistent).

7. There was no consistency on counting. Only a few tables (of the 170+) were verbally doing the pass count, so there was no way to see that the correct candidate was being put into the correct pile.
8. I observed (and told an election worker) that one counter seemed to be making piles of 9 (but counting them as 10). It took a while for me to get someone to help me, so by the time they came to observe him, the batch was counted and they did not make him recount the stack.
9. Counters were writing the number of ballots for each candidate on scrap paper (no one had the same paper, some was torn, some was colored) and then adding manually. This is where I noticed some manual entry errors, specifically when an elderly counter wrote down the number ballots, she couldn't remember the number, the person with her said a different number, they finally agreed on a number, she added numbers on a scratch paper before putting the number onto the official Audit Board Batch Sheet.
10. The batch sheets were taken to Arlo to input but there was no independent verification or monitoring of the numbers being input.
11. Five times between 8:00 a.m. and 9:00 a.m., I noticed tables with ballots on the table, but both workers had gone to get food. The ballots were left unattended. Drinks were on the tables with ballots. I noticed two tables of a

single person counting, the partner had gone to get food. After I mentioned this to the election official, they told both tables to wait.

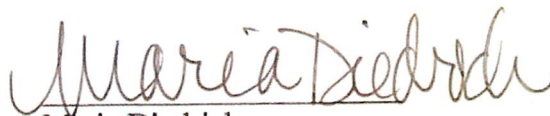

12. At 9:00 a.m., county officials announced that there were too many party monitors and asked the Republican watchers to gather and decide which 17 would be on the floor. There were only 2 paid Republican campaign workers and they tried to organize 17 from about 30 total personnel who had volunteered. Within 10 minutes, we had completed the reorganization.

13. At that point, county officials told most of the counters to go home. There were probably 10 tables still counting.

14. There had been no meaningful way to review or audit any activity.
