Cookie Instructions

As you might expect, everything going in and out of the prison is subject to various guidelines. Cookies are no different. When making the cookies for the prisoners, please keep in mind the following;

- Cookies need to be approximately 3 inches in diameter
- Please no icing or powdered sugar on the cookies
- No fruit or raisins in or on the cookies
- No notes or trinkets baked inside the cookies
- Please no store bought cookies
- Pack the cookies, a dozen at a time, in zip-lock bags.
Do not use tins, boxes, or bags with twist ties

Of course Chocolate Chip cookies are always a big hit. But if you'd like to do something a little different, here are some suggestions;

- Peanut Butter Cookies
- M&M Cookies
- Rice Krispie Treats
- Oatmeal Cookies
- Sugar Cookies
- Brownies

One last note and perhaps the most important; as you prepare these very special cookies, please pray over each batch and the inmates who will be eating them.

All cookies must be received by noon on Thursday of the Kairos weekend.

"I was in prison and you visited me."
Matthew 25:36
